Wine Scoreboard

[illegible]

To Score:

Each category of taste represents two points. A total of ten maximum points are available for each wine tasted. Ten points would be a perfect wine.

Definitions:

Color: A wine should display vibrant color without the tinges of brown, unless very old.

Bouquet: Clean grape smells, nothing non-vinous.

Fruit/Acid: The wine should display good fruit and thirst quenching acid.

Clarity: No haze, pristine and clean in appearance.

Body: Not insipid, with good heavy feel in the mouth.
